Bethel Jaycees Renew Pledge of Service

State Jaycee President, Nate Cyr, issued a challenge to Bethel Jaycees and their guests at a supper meeting last Wednesday evening. Speaking before a group of Bethel young men Mr. Cyr said the challenge remained with the young men to get things done and that young men can change the world. He stated that young men had always been leaders in bringing about important changes. He mentioned the names of George Washington, Thomas Jefferson, Eli Whitney and Thomas Edison among others. President Cyr warned against being afraid to be different—to break away from traditions.

Mr. Cyr drove from Bangor in last Wednesday's snowstorm to be with the Bethel group and started immediately following the meeting for his home in Van Buren.

The following resolution was passed without opposition:

"Be it hereby resolved that the organization known as the Bethel Jaycees, a duly chartered affiliate of the Maine Junior Chamber of Commerce, the United States Junior Chamber of Commerce and the Junior Chamber International shall pledge its support and the support of its individual members to all public service projects that its members deem appropriate for the welfare of the town of Bethel, Maine. Be it further resolved that the Bethel Jaycees continue this service for as long as the citizens of Bethel show, through their active support, that they so desire this service."

Vernon Brown is confined to his home by illness.

Mrs. William Bickford is confined to her home with the mumps.

Mr. and Mrs. Richard Davis left Sunday on a vacation trip to Florida.

The meeting of the Senior Citizen at the Norseman Inn has been postponed to Tuesday, March 19.

Addison Saunders left Wednesday on a business trip to California, making the trip by jet airliner.

Edward Holt of West Townsend, Mass., visited his sister, Mrs. Ruth Wilkinson, during the week end.

Charles E. Merrill returned home last week end after having been an observation patient at the CMG Hospital.

The Eleanor Gordon Guild is sponsoring a spaghetti supper at the Methodist Church from 5:30-7:00 o'clock, March 23.

Ed Quinn, Avery Angevine, Ernest Blake and Lewis Sargent went in to Boscawen Camps on Sunday to clear the roofs of snow. They started the trip in a snow traveler but had to travel the last six miles on snowshoes. They found 51 inches of snow on the roof of one of the buildings.

Gregory Currier celebrated his 8th birthday at his home on Vernon Street with a party. Cake, ice cream, and punch were served. Games were played. Hostesses were Mrs. John Currier, Mrs. Norton Cross and Mrs. Jason Smith. Those present were Edward Currier, Thelma Chapman, Stephen Cross, Ivory Currier Jr., Ernest Chapman, Paul Buswell, David Chapman, Willard Gorman, Harry Buswell, Bradley Swan, Allison Buswell, John Currier, Elaine Cross, Rosalee Currier and the honor guest, Gregory received many nice gifts.

GOULD ACADEMY TO PRESENT POPS CONCERT

Have you ever had the opportunity to attend a Pops Concert? Perhaps you may not be acquainted with this term which merely means that the music to be featured for the evening is of the light and entertaining quality, for pleasant listening and enjoyment rather than profound contemplation and dissection. One can sit with his family or friends at a reserved table where he will be served deliciously prepared food by highly efficient waiters.

Now that you have a better idea of just what a Pops Concert really is, won't you join us at Farnsworth Hall (other-wise known as the field house), Saturday, March 16, for an evening of music played only as the Gould Academy Concert Band, under the direction of James B. Owen, can perform it.

Tickets will be sold at the door.

It is the purpose of the town of Bethel, Maine. Be it further resolved that the Bethel Jaycees continue this service for as long as the citizens of Bethel show, through their active support, that they so desire this service.

"Be it also resolved that all such public service projects be publicized in order that the citizens of Bethel may know of their existence."

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Quite a few people have called the office about the List of Polls and Estates that must be filed with the assessors by April 2, 1963. The question that most people have concerns item No. 8. The last sentence is: List only changes from last year. If you own the same amount of real estate and you have made no additions or alterations, then just write in same as last year. That is about the only item that has bothered people. If there are any questions, feel free to call the office and we will attempt to answer them. There are extra copies of the Lists of Polls and Estates and are available at the town office for anyone who didn't receive a copy.

The selectmen made several appointments at the Tuesday, March 12 meeting. I would like to check with the appointees before they are announced to make sure they are willing to serve the various offices. I will try to have the list by next week.

The winter road account is just about spent. The large number of storms with the extra rate on equipment are the two principle factors for the high cost of snow plowing and removal. The high snow banks on Paradise Street and the Flat Road and Middle Intervale Road are an indication of the amount of snow and wind we have had this winter. Bethel isn't unique in this situation. I have talked with other town officials who are in the very same position. The only thing we can do is try to keep the roads open at the least expense to the town.

WEST PARISH WOMEN'S FELLOWSHIP

The Sunday School teachers and helpers were honored guests at the pot luck supper and meeting of the Women's Fellowship on Wednesday night. Each teacher was presented with a carnation boutonniere.

President Sue Fiske, of the Fellowship introduced Mrs. Rodney Eames who told of the work program being followed in the Primary Department and then Mrs. Dexter Stowell told of the aims of the Worship Service in the Primary Department, giving illustrations of song, prayers, format, etc., that is being followed.

Mrs. Vance Richardson gave a most enthusiastic talk about the work of the Junior Department, and made several worthwhile suggestions. Ronald Kendall spoke on behalf of the teachers, thanking the Fellowship for having entertained them. Mrs. Richard Waldron spoke on behalf of the Fellowship and as a parent, thanking the teachers and expressing the sincere appreciation of all concerned for what they, the teachers, are doing for us and for our children. The supper meeting closed with a word from Rev. Laws.

Besides the adult teachers, the following high schoolers are loyal workers in the Sunday school: Norma Jean Kimball, Elhel Kimball, Maryvonne Rolfe, Martha Laws, Susan Brown, pianist, Carol Flint, organist.

At the business meeting in the Chapel, the Women's Gift boxes were dedicated with the special devotional service read by Miss Helen Varner, followed by the hymn, "In Christ There is No East or West," with Mrs. Theodore Emery at the piano.

It was reported that work has now begun on converting the old furnace room into new Sunday school rooms.

Repairs to the wall in the church are now completed, and the painting done.

Snow has already fallen on six days this month, adding considerably to the very high snow banks. Snowfall is reported at about 10 feet so far, with very little rain and no noticeable thaw.

more reasonable figure could
be arrived at?

You didn't need to worry ab-
out it being passed, the same
handful of people who stuck
their necks out for the purpose
of getting transportation for
all concerned were the only
ones there to vote for it.

The majority ruled, as it
should be, but you could have
shown more consideration for
fellow taxpayers, with one com-
mon interest, to cut expenses
and ease up on the tax increase.
My point being had this \$14-
000 been asked to be raised to
build a new street or anything
needed, in your mind, for
Bethel Village you would have
at least listened to any com-
ments and not feared at any-
on speaking on its behalf.

I get so tired of hearing, "If
you don't like the way you are
treated in E. Bethel why don't
you move to the village?" We
can't all live "in the village"—
and we like where we live.

We aren't asking for a sewer
system, street lights or fire
hydrants, we are only asking
to be heard. Besides you would-
n't let some of us move up there
and bring our cows and chick-
ens with us—now would you?

Hens and cows and tractors
help foot some of these expen-
ses our town has.

Bob Hastings took time out
of his busy life to spend a good
part of a morning discussing
increasing costs of the town
and the purpose of the budget
committee's decisions to recom-
mend a no vote. I sympathize
with the budget committee's
problems, but it is no excuse
for the majority not to listen
to the minority.

I accept the defeat good na-
turally, but I can't accept the
attitude shown by a group of
so-called intelligent people
without making comment.

For what it's worth,
June Swan

TODAY'S meditation

Thursday, March 14

Read I Peter 3:13-22

God shows his love for us in
that while we were yet sinners
Christ died for us. (Romans
5:8. RSV.)

The minister's wife was dis-
cussing sin with some juniors.
She explained that God could
not be holy and overlook sin.
Neither could He tolerate it. To
be certain they understood, she
repeated once more, "Everyone
sins."

Bill looked stunned. "Does
everyone sin?"

"Yes," she replied.
"Does even your husband
sin?"

"Yes," he said desperately.
"How are we going to get to
heaven then?"

We could never be saved
from our sins were we depen-

dent upon any human being,
no matter how goodly. God Him-
self came in the person of His
Son, Jesus Christ. He is the
sinless one.

We may not be able to under-
stand how Christ can save
humanity from its sins, but our
part is to accept in faith that
Christ died for us. This is an
individual matter. Do you and
I believe in Christ as our per-
sonal Saviour?

PRAYER: We thank Thee,
Father, that Thou didst care
enough for us to send Thy
Son to die for us. We ask
Thy forgiveness for our sins.
Help us to believe in Him. In
His name we ask. Amen.

Thought For The Day
Only the Son of God was good
enough to pay the price of our
sin. —Iris Weber Martin

PLOW? PLOUGH? PLUFF?

There's a man who drives a
plow.

And he surely does know how.
See; the snow, piled high,
Reaches up; meets sky!

All his people long for spring,
Sun, and flowers, birds to sing.
Soon he'll call it plough —
Say he's had enough!

Faithful man who saves the
day,
Getting snow out of the way,
Let us say,
"Thank you."

And again say,
"Thank you."

20 SECONDS with the NAZARENE

"And in the morning...He went out
...and...prayed."

Odd, isn't it, that Christ prayed so
much and we pray so little?

Kawaga, the great Japanese Chris-
tian, said "Surrender" was the first
thing in prayer. It was for Jesus, is it
for us?

COUNTRY FLAVOR

THE OPTIMIST'S MONTH

We believe in optimism as a
philosophy of life. But a coun-
tryman who lives intimately
with the weather, learns by
experience and time to tem-
per his forward and upward
look.

March is a logical month for
optimism, and after the tem-
pests of the three previous
months a man is entitled to a
reasonable degree of it. A man
feels better simply because it is
March; he also knows that if it
comes in like a lamb, he may
later face the disposition of a
wild beast.

However, one secret of hap-
py living is to enjoy pleasant
facts before considering the
opposite. The important pre-
sent fact is that we are now in
the third month, and spring is
ahead of us. Any day now the
robins and bluebirds will ar-
rive, and the robins' hearty
carols and bluebirds' plaintive
arias offer a pleasant duet from

the old orchard behind the
barn.

When a mild spell comes and
water trickles down the sled
tracks from the woodlot, you
can smell, hear and see the
signs of spring. The pussy wil-
lows poke gray noses into the
warming air; lilac buds by the
kitchen door look as if they
had started to swell; you can
inhale rich, pungent fragrance
from warming humus on the
south side of the woodlot.

Smoke is billowing from old
weathered saphouses beneath
craggy maples; snow is shrink-
ing on the fields and crows are
calling from the elms in the
meadows. A man knows that
the four seasons of our turn-
ing year must follow in succe-
sion, but human nature seems
to respond more wholehearted-
ly to spring than to other sea-
sons. A man's faith should be
as steady in January as in
March, but it is heartening in
the warming time of year to
know that the Great Promise
never fails.

JUST LIKE OLD MAN RIVER

If you want a truck that does its work without yelling for attention all the time, buy a "new reliable" Chevrolet.

You have to take care of it; it's a machine. But this isn't a full-time activity. The clear idea is that the truck works for you, not vice versa.

The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to

fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?

Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roofs are insulated. Body floors are select wood, not metal. Tailgate chains are wrapped in rubber. If you'd like to examine or drive a new '63 Chevrolet truck, just call us. We'll be right over.

PUBLIC NOTICE**

Registration and Licensing of Dogs
(Chapter 100, Sections 9 to 28,
R. S., 1954 as amended.)

Lists of All Dogs; Returns
Section 9. Assessors of taxes shall include in their inventories lists of all dogs 6 months old or over owned or kept by any inhabitants on the 1st day of April, setting the names and sex thereof opposite the names of their respective owners or keepers, and shall make returns to the clerks of their respective cities or towns and to the Commissioner of Agriculture or his authorized agent of such lists on or before the 1st day of June following.

The Commissioner of Agriculture or his authorized agent shall, on or before the 1st day of September of each year, report to the Treasurer of State the number of dogs by sexes, the number of dogs reported killed, and the number of kennels found in each city or town, together with the amount due the state from each city or town for dog licenses.

The Treasurer of State shall notify the municipal officers of each city or town before October 1st of each year of the amount due the state for dog licenses, on which amount he shall allow credit for all dogs reported killed, or assessed in error.

Assessors of taxes shall make application to the Commissioner of Agriculture or his authorized agent for such credits before August 1st.

If any city or town fails to remit to the Treasurer of State on or before October 1st, of each year a sum of money equal to the license fees required by sections 9 to 28, on all dogs living on the first day of August preceding, such deficiency shall be collected in the manner provided by Chap. 18, Sec. 13.

Dog License Fee; Suitable Tag;

Duties of Animal Husbandry Expert; Kennels

Section 10. On or before the 1st day of April of each year the owner or keeper of any dog 6 months old or over shall apply to the city or town clerk either orally or in writing for a license for each such dog owned or kept by him. Such application shall state the breed, sex, color, and markings of such dogs and the name and address of the last previous owner.

A fee of \$1.15 shall be paid the city or town clerk for each license issued on male dogs, and a fee of \$0.15 shall be paid for all female dogs capable of bearing young. All female dogs shall be considered capable of producing young unless a certificate issued by the Commissioner of Agriculture and signed by a licensed veterinarian, or previous license record, is presented from a licensed veterinarian stating that such female was made incapable of bearing young by spaying by him. When such certificate accompanies the application, a fee of \$1.15 shall then be paid on such spayed females. In addition to the amount paid for license and tag, each applicant shall pay the city or town clerk 25c for the recording and making a return to the Commissioner of Agriculture, except that a license and tag shall be issued by the city or town clerk, upon application, for any trained guide dog owned or kept by a blind person without payment of any fee required under this section. When any such dog has not been previously registered or licensed by the town or city clerk to whom such application is being made, such town or city clerk shall not register such dog nor issue to the owner or keeper a license and tag therefor unless written evidence shall be exhibited to him that the dog is trained and educated and intended in the fact to perform such guide service for such applicant.

Such licensees shall be made in triplicate, the original copy shall be mailed to the Commissioner of Agriculture, 1 copy given to the person applying for the license, and 1 copy retained by the city or town clerk.

A suitable tag showing the year such license is issued and bearing

such other data as the Commissioner of Agriculture may prescribe shall be given with each license and must be securely attached to a leather or metal collar which must be worn at all times by the dog for which the license was issued and it shall be unlawful for any person to remove such tag or to place either collar or tag on any dog not described or for which the license was not issued.

All license blanks and tags shall be furnished by the Commissioner of Agriculture. The representatives of the Department of Agriculture in charge of animal husbandry shall be known as the Animal Husbandry Specialist and the Assistant Animal Husbandry Specialist, who shall carry out the provisions of the dog licensing laws and adjustment of claims for damages to livestock and poultry by dogs and wild animals, and to the promotion of animal husbandry within the state. The expense of furnishing the above-mentioned blanks and tags and the necessary clerk hire and travel, and the salary of the Animal Husbandry Specialist and the Assistant Animal Husbandry Specialist shall be paid from the funds received from the licensing of dogs; provided, however, that money is hereby appropriated out of the dog license receipts for the purposes of this section.

Any person becoming the owner or keeper of a dog after the 1st day of April, not duly licensed as herein required, shall, within 10 days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed as provided above.

Every owner or keeper of dogs, kept for breeding, hunting, show, field trials and exhibition purposes, may receive annually a special kennel license authorizing him to keep said dogs for said purpose, provided he keep said dogs within a proper enclosure, and provided further, that such special kennel license shall permit such owner, keeper or authorized agent to transport under control and supervision said dogs to and from places of hunting or exhibition within or without the state. When the number of dogs so kept does not exceed 10, the fee for such license shall be \$2.50, and in addition 25c for each such license as a fee for recording and making the return required by law; when the number of dogs so kept exceeds 10, the fee for such license shall be \$15.00 and in addition 25c for each such license as a fee for recording and making the return required by law, and no fees shall be required for the dogs of such owner or keeper under the age of six months. Dogs covered by kennel license shall be furnished suitable kennel tags as prescribed by the Commissioner of Agriculture or his agent.

Section 11. Dog kennels. The Commissioner of Agriculture, his authorized agent, or duly authorized and appointed State Humane Agents, may at any time, enter any kennel, shelter or buildings used for the purpose of housing dogs and excepting any domestic and excepting any building used for human habitation heretofore recognized as not subject to search without warrant, and make examination and conduct any recognized test of the existence of any contagious or infectious disease or condition, and may quarantine such place, kennel or shelter in person or by registered mail and maintain such quarantine as long as the Commissioner, his authorized agent, or duly authorized and appointed State Humane agents, may deem necessary. Any kennel, shelter or place where dogs are housed or confined, shall be maintained in a sanitary and humane manner and any records required by law shall be properly kept and available to the Commissioner, his authorized agent, or duly authorized and appointed State Humane Agents, upon request.

pointed State Humane Agents, upon request.

Any person, firm or corporation violating any quarantine or maintaining dogs in an insanitary or inhumane condition, or not keeping records required by law shall be punished by a fine of not more than \$100 for each offense.

Duty of Clerks
Section 12. The clerks of cities and towns shall issue said licenses and receive the money therefor, and pay the same to the Treasurer of State, who shall credit the same to the general fund. Such clerks shall keep a record of all licenses issued by them, with the names of the owners or keepers of dogs licensed, and the sex, registered numbers and description of all such dogs provided, however, that the sex, registered number, and description shall not be required of dogs covered by a kennel license.

Keeping Unlicensed Dog
Section 13. Whoever keeps a dog contrary to the provisions of sections 9 to 28, shall be punished by a fine of not more than \$25 to be recovered by complaint before any trial justice or municipal court in the county where such owner or keeper resides.

Warrants For Unlicensed Dogs;

Disposal

Section 14. Unlicensed dogs; warrants; disposal. The municipal officers of each municipality shall annually within 10 days from the 1st day of June issue a warrant, returnable on July 15th following, to one or more police officers, constables, or State Humane Agents, directing him or them to proceed forthwith to enter complaint and summons to court the owner or keeper of any unlicensed dog. The said police officer, constable or State Humane Agent shall, before entering said complaint and obtaining said summons, call on the owner or keeper of said dog and demand that he conform with the law and pay the license fees due, and if the owner pays such license fees, he shall pay in addition thereto the officer's fees of \$2, which the officer shall retain and make return and pay over to the city or town clerk the license fees received by him.

On July 15th the municipal officers of municipalities shall issue to one or more police officers, constables or State Humane Agents a warrant returnable on the 1st Monday of the following February, directing him or them to seek out, catch and confine all dogs within such municipality which are not licensed, collared and tagged or enclosed, as required by sections 9 to 28, and to enter complaint and summons to court the owner or keeper of any such dog. Such court may order such police officers, constables or State Humane Agents to sell, give away, kill or cause to be killed each such dog which, after being detained by him or them for a period of 6 days, shall not have been licensed, collared and tagged.

Officers To Make Returns

Section 15. Each police officer, constable or State Humane Agent to whom the warrants named in section 14, are issued shall return the same at the time specified. Such officers shall receive from the municipality the sum of \$2 for each dog killed or otherwise disposed of, and for other services rendered under sections 9 to 28, they shall receive such compensation as the municipal officers may determine. In no case shall such officer be entitled to more than \$2 as a fee for disposing of any dog.

SCHOOL NEWS

One of the eighth grade English classes has been learning how to write limericks.

There are many very attractive bulletin boards in the classrooms at Crescent Park.

Just to mention a few: Mrs. Burgess has a display of American History events. In Mrs. Hastings' room the bulletin board is entitled "Windy Wash Day," with students' drawings of their interpretation of what such a day might look like. Mrs. Turcotte and Mrs. Ring have cut colored paper art displays on their boards. In Miss Ballard's room we find art and social studies combined. Miss Varner and Mrs. D. Lord have displays of social studies maps and water color paintings.

With so many students absent because of the flu and with rank cards due soon, the following poem brought to school by Nancy Trinward seems appropriate at this time.

"The Night Before Rank Cards"
"Twas the night before report cards,
And all through the house,

Every creature was nervous,
Especially myself.
The yard stick was hid
In the desk drawer with care,
In hopes that my father
Would not find it there.
I was comfortably nestled
All snug in my bed
While visions of stinking marks
Flashed in my head.

When they see all my marks
They will make such a clatter
The police will come down
To see what is the matter.
Out through the window
I'll be thrown in a flash.
Right through the shutters,
And right through the mesh.
When report cards are due
I think I'll pretend
That I've got the flu.

Mr. Hammond returned to school Monday after being absent a week with the flu.
